Hosting Affiliated Tribes of Northwest Indians Conventions

Host Tribe Opportunities:

ATNI Conventions are where members convene for discussion, presentations and the work of the committees in regard to policy, legislation, and the future of Indian Country in the Northwest.

Host the ATNI convention offers unique opportunities for the host tribal nations, communities, and venues/hotels/casinos.

1. Opportunity to showcase the tribal nation's successes, accomplishments, common challenges and opportunities. This can be accomplished in many ways, including showcasing your priorities and accomplishments, such as your recent expansion project. This can be accomplished by hosting cultural event(s), utilizing ATNI tradeshow to showcase your tribal programs and businesses, or production of a welcome video to share with the ATNI attendees.
2. Opportunity to highlight your tribal priorities at the general assembly. The Tribe's local planning committee (LPC) can provide significant input on the presentations, panels, and invited speakers for the first day of general assembly to ensure local priorities are reflected in our general session.
3. Opportunity to demonstrate your commitment to the organization's mission. It takes significant resources to provide the ATNI platform and communication channels to effectively advocate and support tribal priorities regionally and nationally. Your support directly impacts our capacity.
4. Opportunity to demonstrate your cultural and natural resources. When ATNI members attend the conventions, they are presented with the opportunity to learn from one another, collaborate, and find common ground.
