RESOLUTION #15 - 55

“REVIEW OF TRIBAL TEMPORARY ASSISTANCE FOR NEEDY FAMILIES RULES, REGULATIONS AND POLICES”

PREAMBLE

We, the members of the Affiliated Tribes of Northwest Indians of the United States, invoking the divine blessing of the Creator upon our efforts and purposes, in order to preserve for ourselves and our descendants rights secured under Indian Treaties, Executive Orders, and benefits to which we are entitled under the laws and constitution of the United States and several states, to enlighten the public toward a better understanding of the Indian people, to preserve Indian cultural values, and otherwise to promote the welfare of the Indian people, do hereby establish and submit the following resolution:

WHEREAS, the Affiliated Tribes of Northwest Indians (ATNI) are representatives of and advocates for national, regional, and specific tribal concerns; and

WHEREAS, ATNI is a regional organization comprised of American Indians/Alaska Natives and tribes in the states of Washington, Idaho, Oregon, Montana, Nevada, Northern California, and Alaska; and

WHEREAS, the health, safety, welfare, education, economic and employment opportunity, and preservation of cultural and natural resources are primary goals and objectives of the ATNI; and

WHEREAS, the ATNI Tribal Temporary Assistance for Needy Families (TANFs) represent over 30% of the total tribal TANF programs in the United States, including states that contribute at least a 60% Maintenance of Effort (MOE) Funds to the tribes as well as States whose MOE funding to tribally TANF programs are less than 20% of their MOE; and

WHEREAS, the tribal TANFs clients are among the most difficult to serve clients due to a high rate of unemployment, substance abuse, domestic violence and other social issues; and

WHEREAS, tribal populations lack in opportunities for education and vocational training, especially due to their remote locations; and

WHEREAS, the tribal TANFs of our nations are located in areas where populations cannot support industry, no matter how small; and

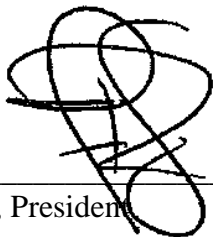

WHEREAS, even where commerce is possible, jobs are lost in the smallest shifts to economic instability; and

WHEREAS, there is a growing concern among TANF Programs and the tribal governments that TANF Rules and Regulations have been developed and evolved without tribal consultation and that recently there has been substantial changes in policies at the Administration for Children and Families (ACF) without tribal consultation; now

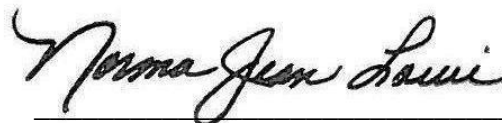

THEREFORE BE IT RESOLVED, that ATNI calls for a full review and report on Tribal TANF Rules and Regulations, and from the creation of those rules and regulations that there be a tracking of changes in policies by ACF and research for the consistency of rules, regulations and policies among the tribes served by ACF and that the results be reported to the tribes.
